## Description

The List of Prohibited Substances and Methods (List), is the International Standard that designates what is prohibited in- and out-of-competition. The List also indicates whether particular substances are banned in particular sports. The List is updated annually.

The World Anti-Doping Agency (WADA) is the international independent organization responsible for promoting, coordinating, and monitoring the fight against doping in sport in all its forms.

WADA works towards a vision of the world that values and fosters doping free sport.
